

Feeding in dry times

Come along to workshops in Cootamundra and Adelong

Dr. Emily Stearman and Dr. Kristy Stone, District Veterinarians at Riverina Local Land Services, will present on:

- Ruminant nutrition in both sheep and cattle
- Nutrition related metabolic diseases
- Feeding in dry times for production
- Feeding ewes/cows on the point of lambing or calving
- Feeding lactating ewes and cows
- Early weaning decisions

Senior Land Services Officers, (Geoff Minchin – Cootamundra and Janelle Jenkins - Adelong) will talk about:

- Cropping and agronomy in the current conditions
- Pasture and dual purpose crop considerations

All livestock producers are invited to come along and enjoy light refreshments and have a chat with our staff. There will be plenty of opportunity for questions and answers.

Date	Time	Venue
