Stacey Storrier, Hillston

"GROW has been one of those OMG courses where you walk out with so much enthusiasm. So many ways to improve both my business and personal life. I feel really privileged to have had the opportunity to attend this course. There is precourse work which concerned me as I, like most, have many balls in the air. When I had completed the precourse work I was really excited as I had already highlighted areas of improvement. Thank you to the supporters of GROW"
